MEMORANDUM FOR: Chief, Geography Division, OBG  
Magazine Building, Room 1010

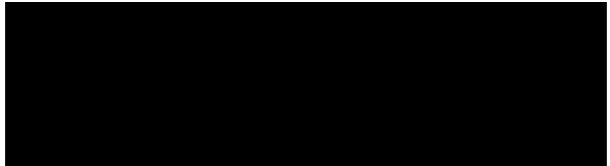

SUBJECT : OSS Photos

1. The Records Center is housing several hundred feet of boxes of photographs dating back to World War II which are designated as OSS material. They are charged to the control of the Records Integration Division and were formerly charged to Central Reference Service.

2. Based on a review of some of the boxes, it has been concluded that the photos are of no use to RID and can therefore be disposed of. The Office of the General Counsel informs us that there is no legal impediment to the destruction of these records and that they may be destroyed in accordance with established procedures.

3. This memorandum constitutes your authority to initiate procedures for the disposal of these photographs.

WITH

Room 812

He initiated this OBG  
interest in these OSS  
photos and would  
like to have the  
opportunity to screen  
and remove some of the  
photos if they are to be  
destroyed. If they are  
kept, he will not do  
the screening. He  
awaits the final decision.
